CHRISTCHURCH
AIRPORT 

Hello,

We've now had the privilege of talking to many people in and around Tarras over the potential for a new airport for Central Otago (a huge thanks to those of you who've taken time to meet with us or provide us feedback).

We've heard many requests for details (like runway alignment and flight paths) and are undertaking a large volume of work so we'll have more information to share during 2021.

In the meantime, we'd like to:

- Let you know what we've heard so far
- Give you the chance to add feedback
- Outline our next steps
- Answer any questions we can

It'd be great to see
you so drop in
when it suits.
